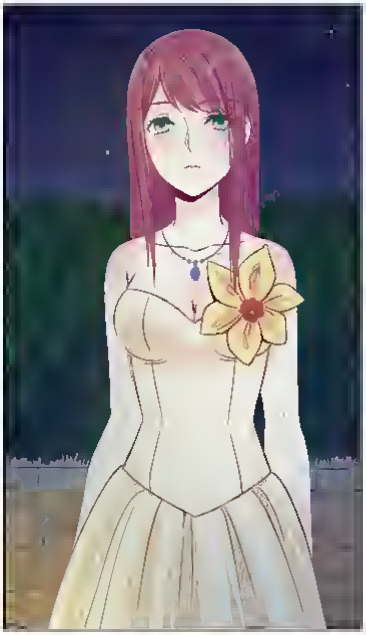
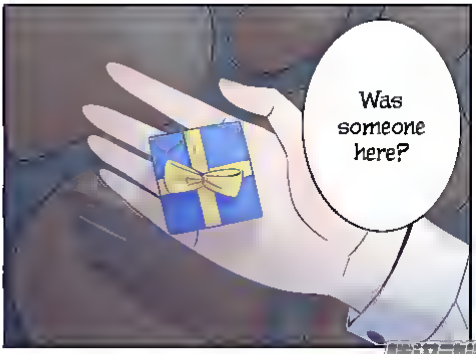
Xu Rui...
and Tong Qian...!

Hey...
Hey!
Wait!
What did you suddenly do that for!
Didn't you have something to say to me?
Yes,
that's the "something" I wanted to say.

Don't joke around this way.
What if someone sees and misunderstands?



Just now...



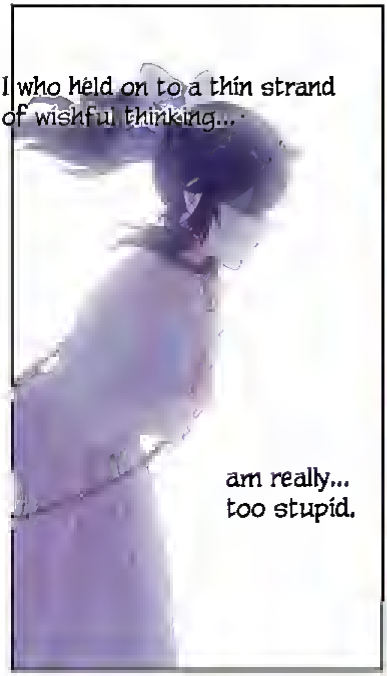
Was someone here?

Ya!
Hey, you trying to start a fight?
Sorry, I'm sorry!
Who was that just now! She didn't even apologize!

If Tong Qian and Xu Rui are together, everything is as it should be...

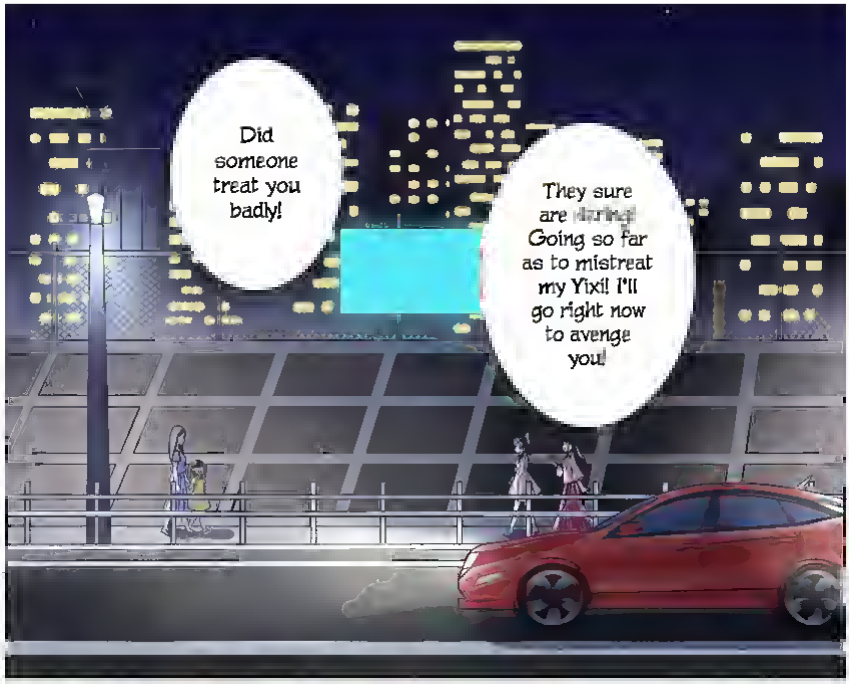
Being one of a feather, they surely like each other.

I who held on to a thin strand of wishful thinking...

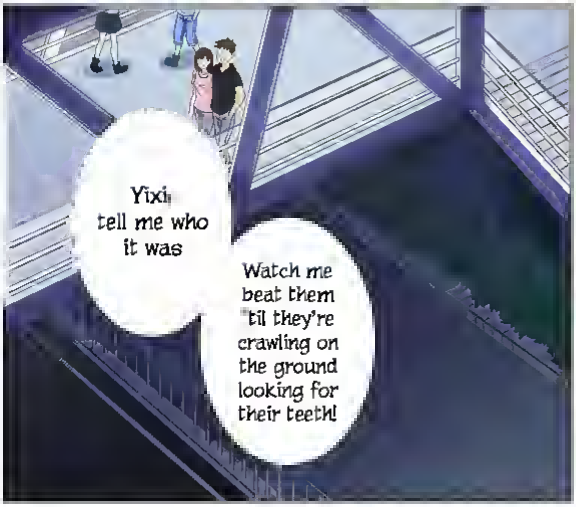


am really... too stupid.

Yixi?
Why are you suddenly going back?
Yixi, did something happen?
?



Did someone treat you badly!
They sure are daring! Going so far as to mistreat my Yixi! I'll go right now to avenge you!

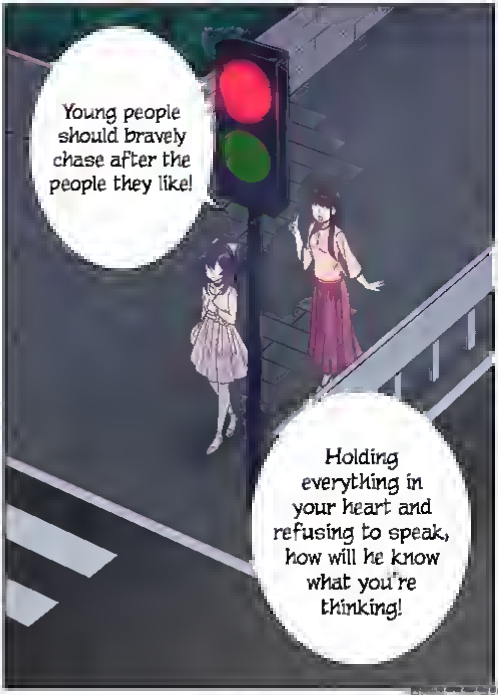


Yixi, tell me who it was
Watch me beat them 'til they're crawling on the ground looking for their teeth!

Enough ...
Weren't you mistreated? ——Ah!

Could it be... someone confessed to that guy!
Don't say any more...
He seemed really popular.

If I'm right, Yixi, you shouldn't be leaving!



Young people should bravely chase after the people they like!
Holding everything in your heart and refusing to speak, how will he know what you're thinking!

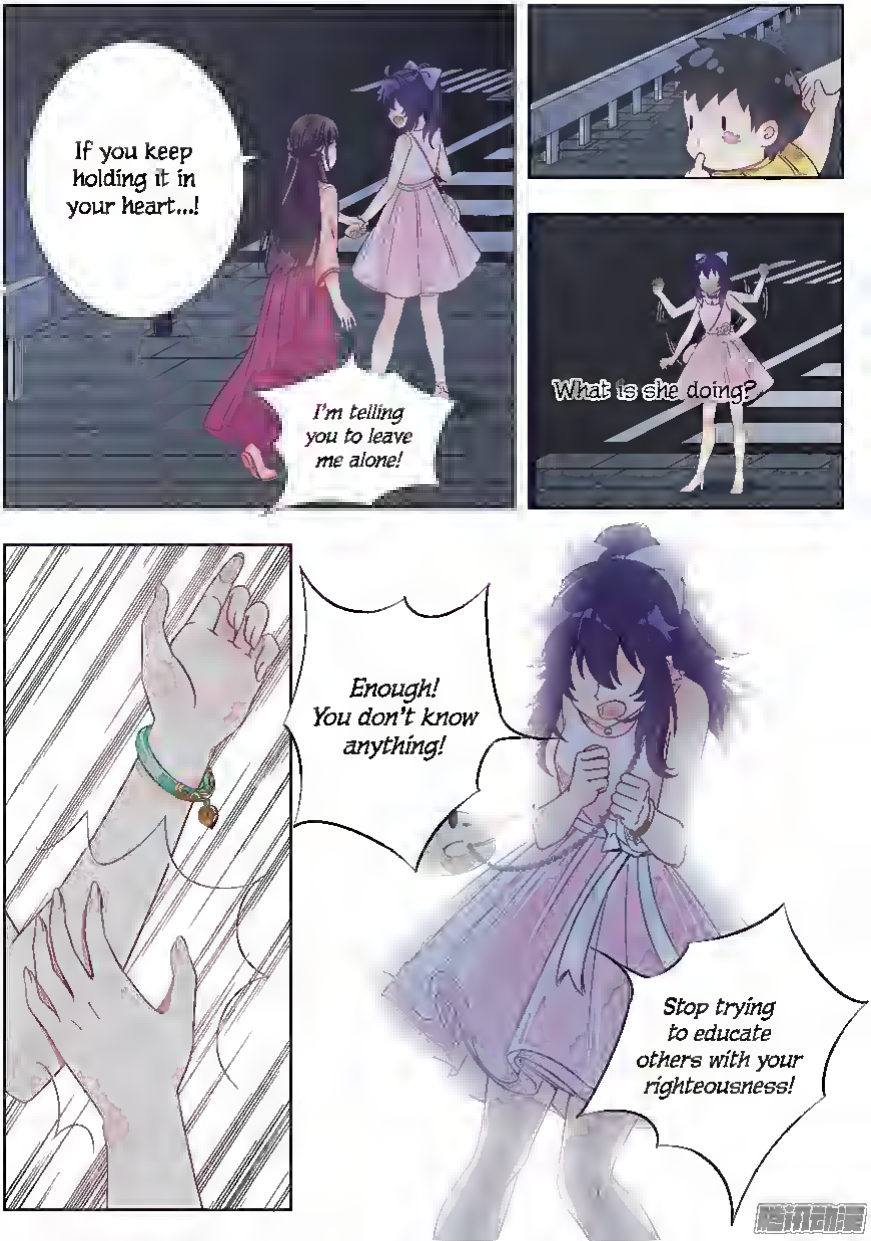
Enough...

Let's go back for now, and make everything clear!
Enough!

Enough!
Stop talking about it!

Why are you talking to me like we're close!
We haven't even known each other for a full day!
But...
Stop acting like your decisions are helping me! I don't need you interfering in my matters!
Mom, that girl is talking to herself!
Don't look at her.

Yixi!
Stop following me!
I'm sorry...! Perhaps I was too excited and forgot myself...
I just thought, if we could settle things by talking it through...
Let go of me!



If you keep holding it in your heart...!
I'm telling you to leave me alone!
What is she doing?
Enough! You don't know anything!
Stop trying to educate others with your righteousness!

Leave me alone and give me some peace!
Yixi!

!
---Yixi!

What are you staring blankly for!
Quickly, get away!!

That...
Idiot!

Legs...
Hurry up...!

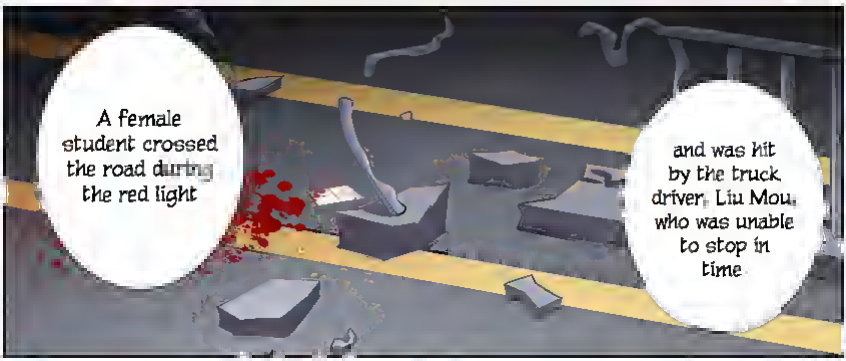
Be careful on the road.
We'll be leaving now!

Xu Rui!
Be safe
Okay

What is it?
There's an ambulance and a lot of police up ahead.
Did something happen?

Is that so...
The streets are dangerous at night, so be careful on the way home!
Understood!

This is the evening news.
Just now there was an accident at the Zhonglu intersection in Huangpu



A female student crossed the road during the red light
and was hit by the truck driver, Liu Mou, who was unable to stop in time
